Supporting the Important Role of the Benefits and Insurance Professionals in Massachusetts

WE VALUE THE SUPPORT OF OUR INDUSTRY PARTNERS!

NABIP-MA is the leading association representing health insurance brokers from across Massachusetts. Our mission is to promote excellence through education, advocacy, and professional development.

As a sponsor, you will have the opportunity to connect with a dedicated network of industry professionals, enhance your brand visibility, and contribute to the growth of NABIP-MA. Partnering with NABIP-MA through sponsorship will position your organization as a committed supporter of benefit and insurance professionals. By engaging in our events, you'll gain exposure, and build relationships.

Your sponsorship is critical, as we support the important role brokers hold in the delivery of health insurance, employee benefits, and related services to businesses and consumers throughout the Commonwealth.

Thank you for your support!

WITH YOUR SUPPORT WE WERE ABLE TO ACCOMPLISH SO MUCH IN 2024!

The following is just a few of the accomplishments NABIP-MA had thanks to our partners in 2024:

- **Benefest 2024** was moved eastward as requested by many sponsors and attendees to the Doubletree Hotel in Westborough and was a SOLD OUT event!
- NABIP-MA partnered with NABIP-CT again and offered a **Quarterly Webinar Series**.
- Our annual **Summer Social** was one of our highest attended networking socials ever!
- Two new committees were created in 2025 - a **Young Professionals Committee** and a **Medicare Committee**. The YP committee provides members a chance to enhance their career, share their ideas, and be a voice for the next generation of health insurance professionals. The Medicare committee will keep members up-to-date with the ever changing Medicare guidelines, along with providing support and resources for NABIP-MA Medicare brokers.
- **Legislatively**, it was our busiest year yet! Our Legislative Committee and our Board worked closely with other organizations who share our position. Together and separately, we have submitted letters and provided testimony to make sure we have a loud and unified voice on Beacon Hill. Below are just a few of the issues NABIP-MA advocated for tirelessly on behalf of our members and their clients over the past year:
 - Price Transparency
 - Hospital Mergers/Expansions
 - Telehealth
 - Mental Health Coverage
